

Christmas Cheat Sheet

You know the story, it's Christmas time, you want to buy your loved one the perfect present, but you can't remember what size they are. You can't ask them as that would blow the surprise. You root through their old stuff, but the sizes are contradictory - what is their general size?

Well to avoid any unnecessary trudging round the shops exchanging clothes this Christmas, fill out your vital stats on this cheat sheet and give it to anyone you're expecting to get a present off. As long as they can read, hopefully this year everything will fit!
